the publication in 1988 of salman rushdie s novel the satanic verses triggered a furor that pitted much of the islamic world against the west over issues of blasphemy and freedom of expression the controversy soon took on the aspect of a confrontation of civilizations provoking powerful emotions on a global level it involved censorship protests riots a break in diplomatic relations culminating in the notorious iranian edict calling for the death of the novelist in the rushdie affair daniel pipes explains why the

publication of the satanic verses became a cataclysmic event with far reaching political and social consequences pipes looks at the rushdie affair in both its political and cultural aspects and shows in considerable detail what the fundamentalists perceived as so offensive in the satanic verses as against what rushdie s novel actually said pipes explains how the book created a new crisis between iran and the west at the time disrupting international diplomacy billions of dollars in trade and prospects for the release of western hostages in lebanon pipes maps out the long term implications of the crisis if the ayatollah so easily intimidated the west can others do the same can millions of fundamentalist muslims now living in the united states and europe possibly be assimilated into a culture so alien to them insightful and brilliantly written this volume provides a full understanding of one of the most significant events in recent years koenraad elst s postscript reviews the enduring impact of the rushdie affair the rushdie affair is a lucid balanced often startling and ultimately convincing analysis scrupulously fair respectful of islam yet unintimidated by the flood of threats and invective mark caldwell philadelphia inquirer a work of impeccable scholarship pipes offers a number of conclusions that merit attention at all levels amir tahiri los angeles times daniel pipes is director of the middle east forum and a columnist for the new york post and the jerusalem post among his books are the long shadow culture and politics in the middle east in the path of god islam and political power both published by transaction greater syria the history of an ambition and friendly tyrants an american dilemma koenraad elst is a belgium based writer on comparative religion indian history and hindu muslim relations very highly recommended for anyone seeking a better understanding of contemporary islam in general and this defining controversy in particular wisconsin bookwatch

the shi i clergy are amongst the most influential political players in the middle east for decades scholars and observers have tried to understand the balance of power between shi i quietism and activism the book is based on exclusive interviews with high profile shi i clerics in order to reveal how the shi i clerical elite perceives its role and engages in politics today the book focuses on three ground breaking events in the modern middle east the 1979 islamic revolution in iran the 2003 iraq war and the 2006 july war in lebanon by examining the nature and evolution of a shi i clerical network the book finds that far from there being strategic differences between quietest and activist clerics shi i mujtahid statesmen matured from 1979 in iran to 2003 iraq by way of a pragmatism which led to a strong form of transnational and associated whole in lebanon in 2006 in doing so the book breaks

down the established and misleading dichotomisation of the shi i clergy into quietists and activists and discovers that the decision of shi i clerical elites to become politically active or to stay out of politics are attributable to their ability to adapt to their political environments

including a new preface that discusses the iranian mood during and after the june 2009 presidential election and subsequent protests this is an intimate look at a paradoxical country from a uniquely qualified journalist the grandson of an eminent ayatollah and the son of an iranian diplomat hooman majd offers perspective on iran s complex and misunderstood culture through an insightful tour of iranian culture introducing fascinating characters from all walks of life including zealous government officials tough female cab drivers and open minded reformist ayatollahs it s an iran that will surprise readers and challenge western stereotypes a los angeles times and economist best book of the year with a new preface

the iran national front and the struggle for democracy 1949 present explores the activities of the iran national front inf the inf is a coalition of parties groups and individuals and iran s oldest and main pro democracy political party this book presents a political history of the inf from 1949 to the present day it discusses the current platform of the inf its leadership policies strategies as well as criticisms and weaknesses the volume draws on a rich range of primary sources inf documents and interviews including translated transcripts with the top leader of the inf as it is one of the major political parties opposing the current regime in iran the book also examines the current situation in the country it provides an analysis of the nature of the political systems under the shah and the islamic republic

a decade after the war for kuwait and two decades after the iran iraq war the wider gulf region remains mired in internal regional and international conflicts iran iraq and the arab gulf states presents analytical perspectives including solution oriented assessments to identify major causes for actual and potential conflicts throughout the gulf the twenty six papers assembled in this volume identify trends for the next decade studies on iranian iraqi saudi and arab gulf states political agendas on the domestic regional and international fronts are included along with assessments on pending legal issues including border disputes relations among the gulf states themselves as well as their complex and evolving ties with several western powers the study closes with four trends chapters looking at the 2000 2010 period

iran and all muslim countries are in the news this book offers insights into issues facing america today

ayatollah 'ali hosseini khamenei supreme leader of the islamic republic of iran is one of the most controversial and influential muslim leaders in the world today as iran s main decision maker his theocratic ideology and decisions carry global consequences the political ideology of ayatollah khamenei is the first book to identify and analyze the development and evolution of the theocratic ideology of the supreme leader from 1962 to 2014 using his own writings speeches and biographies as well as literature published in the islamic republic of iran this work provides new insights into khamenei s political thought and behavior and their impact on iran s domestic regional and international policies correlating the development of khamenei s personality character and political behavior with iran s internal and external challenges this study explores key issues of the middle east region in particular iran s political posture toward israel the united states and the muslim world and the diplomatic crises unfolding over iran s nuclear development program this work provides a comprehensive chronological and thematic survey of khamenei s life this book will be of interest to students scholars researchers diplomats and policymakers focusing on middle eastern politics iranian affairs islamic studies and international relations and could serve as an essential resource for those striving to understand iran s policies toward israel the united states and the muslim world as shaped by its supreme autocrat

for over a quarter century iran has been one of america s chief nemeses ever since ayatollah khomeini overthrew the shah in 1979 the relationship between the two nations has been antagonistic revolutionary guards chanting against the great satan bush fulminating against the axis of evil iranian support for hezbollah and president ahmadinejad blaming the u s for the world s ills the unending war of words suggests an intractable divide between iran and the west one that may very well lead to a shooting war in the near future but as ray takeyh shows in this accessible and authoritative history of iran s relations with the world since the revolution behind the famous personalities and extremist slogans is a nation that is far more pragmatic and complex than many in the west have been led to believe takeyh explodes many of our simplistic myths of iran as an intransigently islamist foe of the west tracing the course of iranian policy since the 1979 revolution takeyh identifies four distinct periods the revolutionary era of the 1980s the tempered gradualism following the death of khomeini and the end of the iran iraq war in 1989 the reformist period from

1997 2005 under president khatami and the shift toward confrontation and radicalism since the election of president ahmadinejad in 2005 takeyh shows that three powerful forces islamism pragmatism and great power pretensions have competed in each of these periods and that iran s often paradoxical policies are in reality a series of compromises between the hardliners and the moderates often with wild oscillations between pragmatism and ideological dogmatism the u s s task takeyh argues is to find strategies that address iran s objectionable behavior without demonizing this key player in an increasingly vital and volatile region with its clear sighted grasp of both nuance and historical sweep guardians of the revolution will stand as the standard work on this controversial and central actor in world politics for years to come

an american foreign policy background study from the founding of post biblical judaism under artaxerses nehemiah in 445 b c to the shiite republic of the ayatollah khomeini the tehran hostage arms transfer crises of 1979 1989 a d

hooman majd offers a dramatic perspective on a country with global ambitions an elaborate political culture and enormous implications for world peace drawing on privileged access to the iranian power elite majd argues that despite the violence of the disputed 2009 elections a group of influential ayatollahs including a liberal almost secular opposition still believes in the iranian republic for them green represents not a revolution but a civil rights movement pushing the country inexorably toward democracy albeit a particular brand of islamic democracy with witty candid and intelligent reporting majd himself the grandson of an esteemed ayatollah introduces top level politicians and clerics as well as ordinary people even jewish community leaders all expressing pride for their ancient heritage and fierce independence from the west from publisher description

ask most americans and they ll tell you that presidential campaigns get dirtier and more negative with every election this text suggests that this may not be as true as we think and shows that over the last dozen elections negativity may have been well publicised but hasn t increased

as a religion islam has been demonized for its gender practices like no other this book analyzes that orientalism with particular reference to representations of muslim women it describes the real sexual politics of islam the rise of islamic fundamentalism and the west s response to it the author argues that regardless of the

sophisticated argument of postmodernists and their suspicion of power postmodernism as an intellectual and political movement has put itself in the service of power and the status quo she demonstrates how this trend has given rise to a neo conservative feminism she also asks questions of those who in denouncing the racism of western feminism have taken up an uncritical embrace of the islamic identity of muslim women the book should interest those concerned about human rights as well as for students and academics of women s studies political science social theory and religious studies

this text argues that communication is the foundation on which a society is based and the means by which it maintains political economic and social relationships with other societies issues covered include who owns information and what the cultural implications of the information age will be
